There is always something to do at Jr. Grange Camp. The daily program includes wholesome activities, healthy exercise, and a fun camping experience. The camper will learn about the Grange and make many new friends. Throughout the day they will be encouraged to become leaders and have fun. ***It is not necessary for the camper nor their parents to be members of the Grange,*** but if you are not a member we encourage you to talk to one of the camp staff about learning more about this family organization.
